Annwyl gyfeillion / Dear friends,

Croeso!

On behalf of the 2011 Reunion Committee I'd like to warmly invite you to join us at Ewloe in North East Wales.

We've been busy putting together a programme for you to enjoy which will give you a true taste of Wales. So that will mean food, fun and singing – with the added extra twist! Read on to find out more! But remember to bring your dancing shoes for a spot of folk dancing and your lucky socks for our Casino evening!

We'll be based this year in the St David's Park Hotel, Ewloe, only a stone's throw away from Chester, the M6 and Liverpool and Manchester airports. The hotel has all that you expect – an indoor heated swimming pool and a state of the art health and fitness club.

Our thanks must go to all the Sponsors and trip hosts. We've packed the programme with entertainment and I'm sure that we've something for everyone. We hope that you'll see Wales at its very best.

We look forward to welcoming you all to Wales.

Dewch yn llu!

## Saturday Visits

### **Trip 1 (all day): Chester Zoo**

[www.chesterzoo.org](http://www.chesterzoo.org)

The UK's number one Zoo is set in 110 acres of award-winning gardens. In this spectacular setting are over 7000 animals with over 400 species of rare, exotic and endangered wildlife. Chester Zoo's gardens are deservedly famous and provide a glorious backdrop to the animals. With plants from around the world, the gardens reflect the natural habitats of some of our most exotic species. Play areas are spread around the Zoo to give the children the chance to burn off some energy and there are plenty of cafes onsite.

As there is so much to see at Chester Zoo this will be an all day trip.

### **Trip 2 (am): Pontcysyllte Boat Trip**

[www.canaltrip.co.uk](http://www.canaltrip.co.uk)

Come along for a spectacular trip on Jones the Boats narrow boat, 'Eirlys' across the famous Pontcysyllte aqueduct, one of the most enduring wonders of the waterways, which has inspired and amazed boaters, walkers and visitors for 200 years. On its completion in 1805 the aqueduct was the tallest canal boat crossing in the world and to this day it's the highest navigable aqueduct in the world, 126 feet above the valley floor. Don't miss the opportunity to visit one of Thomas Telford's greatest civil engineering achievements, which is now officially a World Heritage Site, putting it on a par with places like the Pyramids, Machu Picchu, the Taj Mahal and the Acropolis. And if that's not worth experiencing, we don't know what is!

### **Trip 3 (am): Ifor Williams Trailers, Deeside**

Take this rare opportunity to visit the Deeside Manufacturing Facility of one of the most famous names in trailers. Ifor Williams Trailers is Britain's largest manufacturer of trailers up to 3500kg gross weight. Their livestock trailers are the preferred choice for many farmers. For half a century, customers have been turning to Ifor Williams Trailers to make their working lives easier and their leisure time better and now, you can visit the factory where they manufacture flat bed trailers and horse boxes.

### **Trip 4 (am): Nant Ucha Egg Farm and Sign Writing Workshop**

You have free range eggs and then you have Nant Ucha free range eggs. Take this opportunity to visit a family run free range egg unit in the wilds of Garth, Llangollen, where you will meet the Kynaston family and 4200 of 'their girls'. Follow the free range process from laying, through collecting and grading, to packing and distribution. Also based here is David Kynaston, who is one of a dying breed of traditional sign writers. Visit David's workshop and learn the finer points of his trade. This is an eggcellent opportunity to witness farm diversification first hand.

### **Trip 5 (am): Go Karting**

Have a go at Go Karting on this cleverly designed track where somebody obviously thought... how about a tunnel, or a banked hairpin or should it be outdoors or indoors? And then decided to have them all! It is one of the longest established indoor karting centres in Europe. The 900m circuit packs in plenty of twists and turns, and it's up to you when to brake and when to really let your 200cc biz kart off the leash. It's a real taste of competitive motor racing, with its very own 30m Monaco style tunnel.

**EXTRA PAYMENT OF £15**

### **Trip 6 (am): Stay at the Hotel**

If you had a long journey to get to Wales, you may want to have a lie in on Saturday morning, or you may want to take full advantage of the VILLAGE Health and Fitness Club with its swimming pool and Technogym.

Don't worry; we'll pick you up at 11.45 to go for lunch.

### **Trip 7 (pm): Llaeth y Llan Yogurt Producer and Garden Tour**

Enjoy a visit to Llaeth y Llan, the Village Dairy where Gareth and Falmai Roberts produce their superb dessert yogurt, a melt in the mouth delicacy, which they have perfected since 1980. They now produce 25 different flavours including their very latest - Celtic Coffee and Cointreau and Orange. Come and see how the yogurt is made and have a sample of this award winning product!

Gareth is the visionary and Falmai the practical one when it came to transforming a run down sloping orchard with old style toilet and cesspit into an award winning country garden. Marvel at the terraces, fountains and colourful arches or enjoy the sensational aroma of the herb garden. Enjoy the delights of a country garden and at the same time see how the wonderful Llaeth y Llan yogurt is produced.

### **Trip 8 (pm): Greenfield Valley and Holywell [www.greenfieldvalley.com](http://www.greenfieldvalley.com)**

The 70 acre Greenfield Valley Heritage Park has, at its focal point, the museum and farm. As well as an attractive collection of original and reconstructed local buildings, the museum includes many fascinating antique farm tools and one of the oldest self propelled combines in the world. For children there are farm animals, Toddler Tractor Heaven, Tower Maze and Adventure TreeHouse. The site includes the ruins of Basingwerk Abbey and Tea Rooms. A short walk away is St Winefride's Well at Holywell, the 'Lourdes of Wales'. There is something for everyone on this trip.

### **Trip 9 (pm): Ruthin Market Town**

Visit the delightful market town of Ruthin nestling in the spectacular Vale of Clwyd. There is plenty to do! Visit **Ruthin Craft Centre**, the premier centre for the display of Contemporary Applied Art in the UK. It houses artists' workshops, a cafe, craft showcase and spectacular galleries. Or for a gruelling experience venture into the

impressive **Ruthin Gaol** (*Trip 10*) to experience life as a Victorian Prisoner! Explore the cells including the punishment, 'dark' and condemned cell. Find out about the Welsh Houdini and William Hughes the last man to be hanged there... You can also join in the Halloween celebrations at the Gaol with crafts and storytelling, where children are invited to wear fancy dress! Today, Ruthin Gaol also provides safe and secure storage for the county archives. Not brave enough to venture into Gaol! Then you may prefer a bit of **shopping** in the town's small boutiques or visit **Ruthin Castle** and pop into the hotel for afternoon tea. Ruthin people say that it's the most charming small town in Wales. We agree with them. Why not visit to find out for yourself!

### **Trip 11 (pm): Ice Skating**

Ice Skating is fun and the perfect exercise for all ages! Whether you're an experienced skater or a novice, you can enjoy the fantastic facilities at Deeside Ice Rink, in Queensferry. This Olympic sized ice rink is the National Centre for Ice Sports in Wales, and a session on the ice is just the thing for developing a thirst in preparation for Saturday evening!

### **Trip 12 (pm): Return to Hotel**

Need a relaxing afternoon or a rest? Then return to enjoy the hotel's facilities. The hotel also offers fun exercise classes for children – if you are interested contact the secretary for details (information only available one week prior to the Reunion).

## **Sunday Afternoon**

### **Trip 13: Chester**

Venture over the border with us to the historic and picturesque city of Chester. You'll be spoilt for choice! Explore the famous city walls or visit one of Chester's many historical buildings; the Roman Amphitheatre, the spectacular Cathedral or one of the most photographed clocks in the World - the impressive Eastgate Clock! Explore Grosvenor Museum to discover the history of this fascinating city or learn about the life of the soldier through 300 years of history at Cheshire Military Museum. For a peaceful afternoon enjoy a walk in Grosvenor Park or ride the miniature railway located only a few minutes' walk from the city centre. On **Friday Night**, as well as the Viva Las Vegas themed Fancy Dress (with prizes), we will be holding a Casino Night. This will be the first chance to catch up with old friends and to enjoy meeting YFA Reunion virgins, as well as experiencing the thrills of professional Roulette and Blackjack tables.

On **Saturday Night**, we are greatly honoured to have Lord Dafydd Elis-Thomas as our guest speaker. Lord Elis-Thomas was an MP from 1983 until 1992, and Presiding officer of the Welsh Assembly from its inception in 1999 until 2011.

Then it's time get your dancing shoes on for our Twmpath (Ceilidh). A great night of Welshness and fun.

On **Sunday Night**, there is no sound quite like the stirring sound of a Welsh male voice choir, with the passion and hwyl that blends the choral tradition of the past with musical talent of the 21<sup>st</sup> century.

The Moelwyn Male Voice Choir from the Blaenau Ffestiniog area of North Wales was formed in 1891 and made up of mostly quarrymen. Over the years the choir has sung at thousands of concerts, and since 1981 the choir has been under the baton of its first woman conductor, Sylvia Ann Jones. During our reunion, the choir will be joined by the Trawsfynydd singer Geraint Roberts. Geraint has released two musical CDs, is a familiar voice on Radio Cymru and he has taken lead parts with the Meirionnydd Musical Theatre Company.

There were no items arising from the minutes.

#### **4. Correspondence**

The only correspondence received has been already dealt with under apologies for absence.

#### **5. Executive Committee Meeting**

The Executive Meeting was held on Saturday evening. The items discussed included:

(1) Circulation of conference brochures: This year's reunion organising committee has emailed the brochure to as many members as possible to reduce postage costs. Member's email addresses were provided by the country secretaries and the application form was available for download from the website. Future reunion brochures will be circulated in this manner - unless country secretaries advise of the members who require the brochure to be posted.

(2) AGM Minute and Attendance Journals: The Scottish 2010 reunion committee has presented the UK YFA organisation with new journals, as the current journals are full.

(3) Rotating £400 reunion grant; the rotating grant which moves between countries to assist in the early stages of reunion planning is no longer required – as countries have sufficient funds to cover these early costs themselves. Countries were requested to consider the grant at their country meetings and report back to the AGM. At this point a proposal was out to the members.

**Recommendation:** The rotating £400.00 grant be disbanded and £100 to be given each country, was unanimously agreed by the members.

(4) History of YFA: YFA holds journals, which include the minutes and attendance lists from all of the YFA reunions. Sally has agreed to convert these documents into electronic versions to safe guard the information for the future and to make it available to members.

Proposed by: Huw Williams

Seconded by: Robin Burdass

## 7. Regional Reports

**England & Wales:** Report given by James Cowan.

YFA again took a very active role in the Discovery Programme Selection and Briefing in December 2009, with members prominent on all selection panels, and others persuading exchangees to join YFA. There were more places available than in recent years, and all spaces were eventually filled.

At the NFYFC Annual Convention and AGM in Torquay, Rhiannon Dafydd presented a cheque for £3,200 as part of our continuing commitment to the future of the Discovery Programme. She also presented the YFA Trophy to the 2009 English European Rally Team for their winning promotional PowerPoint.

The Wales Reunion Committee held yet another very successful reception at the Royal Welsh Show in July. For the first time, all incoming exchangees on the Wales International Programme were at the show, and many of them attended the Reception, along with some of the outgoing exchangees. Some exchangees were persuaded to join YFA during the Reception, for which England and Wales YFA are very grateful.

A request was made in our AGM at Newcastle that a Questionnaire is sent out to members to find out whether they are happy with their YFA and what they want out of YFA. The results were published in the autumn 2010 Newsletter, which is available for all to see on the Website.

We have had a big sort out of our Membership Database, paying particular attention to non payers. This has resulted in a combination of a few extra members paying their subs and a saving in Newsletter costs of around £40 per year.

It is with great sadness that we report the death of James Thomas, who travelled to the USA in 1954, and was one of the founding members of YFA. Our condolences to Ann and the family. We are also sad to report the untimely death of Haydn Jones (Morlogws), who visited Israel in 1960, and was a well known member of YFA. Our condolences to Mair and the family.

Thank you to Steedsy, Fiona and the committee for organising the 2010 Reunion.

It's over now to the Wales Reunion Committee to organise the 2011 Reunion in North East Wales near Chester. See you there!!

**Northern Ireland:** Report given by Philip Walker.

Ulster YFA had another active and enjoyable year of fun and friendship since the last reunion.

About 20 members enjoyed a privileged tour of Bushmills Distillery in December, which despite the amount of whiskey put away was very memorable for everyone. This was followed by a more sobering cup of coffee at Hilary Taggart's home.

2010 got off to a great start with the mock wedding of Kirk (Clarence Calderwood) and Iris (Fiona Cromie) in Corrick House, Clogher at the end of January. The frolics of a rather inebriated mother in law (Fiona Patterson) and assorted speeches from the bridal party left the wedding guests with sore jaws for a few days afterwards.

The following office bearers were elected at the AGM in Loughrey College during February. Patron – John Cromie, Chairperson – Philip Walker, Assistant Chairperson – David Hull, Secretary – Hazel Burton, Assistant Secretary – Shirley Walker, Treasurer – Clarence Calderwood, Assistant Treasurer – Thomas Lennox, PRO – Linda Steele, Web master – Derek Quinton, IFYE rep – Derek Quinton, Committee members – Eric Crozier, Janette Sterling, Stephanie Fulton, Margaret Hemphill, Rosemary Cooper and William Annett.

A group of members under the direction of Linda Steele put on 'The Italian Job' Murder Mystery in April at Derrynoid Rural College, Draperstown. During which the four outgoing exchangees Tanya Johnston, Fiona Lee, Ruth Marshall and Jennifer McMordie were presented with £100 each from the YFA.

Linda Steele attended the outgoing exchange briefing to provide advice and to introduce the YFA, whilst Rosemary Cooper attended the YFCU Conference in April to promote the exchange programme.

Four YFCU members went on long term exchange, 3 members went on short term exchanges and 4 members went to the European Rally.

12 members enjoyed the European IFYE Conference in Ursprung, Salzburg, Austria during August.

At the end of July members and the incoming exchangees met for a picnic and nature treasure trail around Gortin Glens Forest Park and buffet afterwards in Beltrim Estate, Gortin, where the first ever Gortin paper air show was hosted by David Radcliffe.
