Dear Principal

### SCHOOLS SCHEDULE

#### Fermanagh County Show 2<sup>nd</sup> & 3<sup>rd</sup> August 2011

Its Showtime again already! I have enclosed the 2011 schedule and entry forms for your school and we look forward to another bumper year of entries.

The schools section has yet again been generously sponsored by **The Impartial Reporter** for which we are ever grateful. Additional support from **The Vaughan Trust** in 2010 enabled the Show to offer extra classes for Year 8 – 10 pupils and these have been continued again this year. The Vaughan Trust has also backed an exciting competition for pupils to ‘**Design a Cover for the Official Show Catalogue**’. Not only will the winner take home generous prize money on offer but they will get to see their design on the actual catalogue on show day! Full details are in the schedule.

I would like to encourage your school to take part in the show and would be delighted to assist if you have any queries or are considering on entering for the first time. If you require help at any stage of the process, from filling out forms to delivering the entries, please do not hesitate to contact me in the show office by phone or email. The office is not manned every day but I can be contacted at any time by phone on 0787 2619577 or [secretary@fermanaghcountyshow.org.uk](mailto:secretary@fermanaghcountyshow.org.uk).

Full details of the classes and rules are in the schedule but I would like to highlight a few points from it.

- Please ensure that the Child's name, age, school & Class no. etc is securely marked on all exhibits. **DO NOT PUT CHILD'S NAME ON FRONT OF ANY ENTRY** – we recommend sticky labels as it can be difficult to decipher information on dark coloured mounts.
- Due to space restrictions it is requested that mounts used on any exhibit should not exceed 5 cm
- The judge has requested more actual content in the Story books class. The Story Book should be suitable for Year 4 or 5.
- Please refer to note in schedule for classes 34 - 38 – remember these are the Child's Interpretation
